## **ISCA – Checklist OA 100th Centennial Flaps – December 22, 2017**

For an electronic copy of this list or other lists and for the latest update go to the ISCA web-site ([www.ScoutTrader.org](http://www.ScoutTrader.org))

Provided by Mike McAdams. Please send corrections, updates and comments to: [Mike@PhilmontM1.com](mailto:Mike@PhilmontM1.com)

The concept of a Centennial flap was started by the National Chairman of the OA, Ray Capp, in a messages to all lodges in the April 4th 2014 Centennial update "Chiefly Speaking" : "For the centennial, we are following a similar structure with the new circular totem. We are asking lodges to incorporate this new totem on all 100th anniversary and NOAC memorabilia."

In an article titled Ask the Chairman - Centennial Totem (dated July 13, 2014) A question was asked: Is our lodge required use the OA centennial totem on our lodge flaps and memorabilia items for NOAC 2015?

Ray Capp replied (edited to be brief): While it is not mandatory, it is our hope that all lodges will use the totem as part of all their centennial celebrations including lodge flaps and other memorabilia which will be used to commemorate both the 100th anniversary and the 2015 National Conference.

**We are also asking lodges to consider issuing a single-piece 100th anniversary lodge flap (not NOAC related) bearing the totem.**

With that suggestion, this list was conceived.

**The definition of a Centennial flap for this list** is a regular lodge flap that contains either the **Centennial Totem** or one of the **100th Logos**, the Centennial Theme; "**Centuries of Service**" or some other reference to the 100th Anniversary. References to Lodge anniversaries are acceptable as long as it meets the other Centennial criteria. **A regular flap does not spell out an event (i.e. NOAC, LOAC, or other conference, Jamboree, Conclave, Fellowship, Ordeal, Banquet, Trade-O-Ree, etc.) or other "Special Purpose" (i.e. Delegate, Charter member, Dance team, Drum team, Cook crew, National officer, Lodge historical issue, Medical condition awareness, fundraiser, etc.) Nor is it made out of alternative materials (i.e. Metal, Bullion, Chocolate, Wood, etc.)**
